

REVELATION

The Pastor's Desk

Pastor Louis Lee

"Back To School?"

"In everything I did, I showed you that by this kind of hard work we must help the weak, remembering the words the Lord Jesus himself said: "It is more blessed to give than to receive." (Acts 20:35)

I have experienced the truth of this verse of Scripture many times. I would like to invite you to join me in sharing this blessing by providing much needed school supplies to the Cabrillo Elementary School located just west of our church. Last year we formed a partnership with this school when we learned the majority of their students come from low income families. Several of our adults attended this school when they were children.

Therefore, our church has designated funds to help purchase supplies for Cabrillo's staff to utilize in any way they wish. Several other "super shoppers" join me in maximizing every dollar to purchase as many supplies as

possible. We donate supplies to the Cabrillo School throughout the year since their need is ongoing.

The Lord provided several terrific deals the past few weeks. Earlier this week I was able to purchase 60 boxes of Crayola brand crayons (24 to a box) for just 25 cents each from Walmart! They did not have any limit stated on the shelves and no one hassled me about this purchase even though I bought every single box of crayons available on the shelves! I also purchased 40 of the spiral bound notebooks (70 pages each) for just 15 cents each!

Last week I took advantage of an online deal to purchase a number of office supplies from Walgreen's. The BIC "brite liners" (sets of 5 markers each) were on sale for just 49 cents each. This online offer had a \$10 off a purchase of \$40 or more. I was able to buy several sale items that were already reduced and reached a total of barely over \$40. This past week I also purchased a number of special 30 pack mechanical pencils for just 99 cents each from Walgreens.

If you would like to share in this blessing of providing supplies for the Cabrillo Elementary School, please make your check out to CCC and earmark for "CE School." (Please do not

bring actual supplies to CCC since we are short on storage space, just take any supplies you might want to donate directly to the school.) Thanks!

Pastor Louis Lee

CHURCH NEWS

Website Update

www.cccsac.net

One of the biggest changes is how we are trying to help you access the newest and the latest additions to our website through our **CCC Weekly Updates**. If you have an e-mail registered in our church directory, you should be receiving weekly notices of all the newest additions to the website. This includes weekly reminders of up-and-coming events, Bulletin Announcements, links to Sermon Fill-in's and Recorded Sermons as well. If you know somebody you think might enjoy being included in our Weekly Updates, please have them send their e-mail request and address to the church office at ccc95822@yahoo.com.

There have also been several **new blog entries** added to the website since the last Revelation. These include entries from Keith Fong entitled *I Will Boast and Go*, Ted Fong's reflections on *Our 4th of July Weekend*, and Pastor Louis's entries entitled *Service With a Smile* and *Blessed to Share School Supplies*

with Needy Kids at Cabrillo Elementary School!

As always, we encourage you to **contribute to our church website**. The more people who add replies, the more views these entries get, and the more our members and others pause and think about issues closer to the heart of God. It is our hope our website will help increase our appreciation of how awesome our God is and testify to the reality of Him in our lives.

⁸Finally, brothers, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things. - Philipians 4:8 (New International Version)

Again, please participate in our website. We hope your increased involvement will be a blessing to you and others.

Office Assistant Search Update

Our search for a church administrator is wrapping up. Committee members are sifting through the resumes, conducting phone interviews, and preparing to invite applicants for in-person interviews. We hope to complete interviews by the second week in August and begin training the new church office administrator the final week of August.

We also want to extend our personal thanks to Erin Chow, our extremely capable office administrator who has served us faithfully for 2 years. She has helped to improve our web presence by helping keep our website content current. She has helped direct members to the latest content through Weekly Updates. She has put together a binder of all administrative responsibilities, complete with instructions for how to accomplish all these important tasks. This will serve as a training manual for our next assistant. We pray God will watch over Erin as she transitions into the next chapter in her professional life as a dental hygienist.

Care Packages

Baldwin and Pat Wong have three sons serving in the Marines. Thank you Pat and Baldwin for raising such wonderful boys. As a church we were able to send care packages to each of them. Many thanks to all of you who donated items including money, beef jerky, candies, moist towelettes, lotions, and shavers. We have sent a second care package to Matthew who is serving in Afghanistan. His wish was for socks, underwear, sunscreen, eye drops, and other items.

Please continue to pray for them and other people in the military who risk their lives each day so that we may live in freedom.

Thank You!

A belated thank you to FRANK AND JANE HUE for their donation of the "bubble gum machine" for our Sunday School.
